**NEW YORK**

**WILL TRAVEL** Jill Golden's new Flutter jewelry line is a nod to her travels. From the leather-and-gemstone Inca bracelet (\$350) to the punk-pretty St. Germain earrings (\$185), each piece bears her interpretation of a memorable destination. [shopbop.com](http://shopbop.com)

**NEW YORK**

**TOTE IT** Designer Jessica Kagan Cushman is back with her cleverly quotable slogans, this time on coated cotton handbags. [jessicakagancushman.com](http://jessicakagancushman.com)

**GET GLAMoured** Let's face it—fangs really are fantastic. Wildfox Couture has just launched its Love Bites collection, inspired by the designers' enchantment with vampires. [wildfoxcouture.com](http://wildfoxcouture.com)

**NEW YORK**

**WALKING TALL** Commuter shoes. Work shoes. Party shoes. The dance of changing into and out of flip-flops, flats, sandals, sneakers, platforms, and wedges is a fact of life that women have had to accept—until now. Wanting to help city slickers shake their need for a shoe stash, designer Kenneth Cole devoted the past four years to researching the issue. He's finally come up with an answer: Kenneth Cole Silver Edition. Ranging from flats to ankle booties to classic pumps, the first five styles in what will eventually be a full, sandal-to-moto-boot Kenneth Cole New York collection all make use of Cole's 925 Technology (named for its nine-to-five wearability) and bear the line's signature silver heel. Each shoe in Cole's limited-supply line has two layers of Poron foam, the first ensuring maximum shock absorbency and the second acting as memory material, which, along with the flaxseed arch pillow and sheepskin lining, creates a perfect, flexible mold for every wearer's foot. With this new collection, Cole has not only achieved his goal of saving the soles of shoe lovers across the world, but he also proves wrong the assumption that a comfortable, multifunctional shoe has to look like one. **MILAN**

**KISS FROM A ROSE** Italian designer Roberta Furlanetto has created handmade textiles for the likes of Christian Dior and Azzedine Alaïa. Now she's doing her own thing with a line of poetically tailored separates. [robertafurlanetto.com](http://robertafurlanetto.com)

**L.A.**

**NEW OPENING** Opening Ceremony has opened the Little House of Accessories, a new outpost for bags, shoes, and other ephemera—cornucob stools!—all from the owners' favorite lines. [openingceremony.us](http://openingceremony.us)

**NEW YORK**

**BACK TO BASICS** More than 80 years after its initial introduction, Cole Haan is paying homage to its founders, Cole, Rood, and Haan, as well as the timeless legacy of the American brand, with its first vintage-inspired shoe collection. [coeroodhaan.com](http://coeroodhaan.com)

Eva Amurri and G... at the Silver Edition launch

**NEW YORK**

**OUTLAW COUNTRY** Author and onetime Afghan Mujahideen sojourner Laurent Marechaux explores the legacies of history's most famous rule-breakers in his new book, *Outlaws! Adventures of Pirates, Rebels and Other Scoundrels* (Flammarion). [amazon.com](http://amazon.com)

**NEW YORK**

**MARK YOUR CALENDAR** Gucci has teamed up with DJ Mark Ronson on 18 sneaker designs that will appear in Gucci pop-up stores around the globe. The first collab will debut in New York, then move to Miami and two other select cities. [gucci.com](http://gucci.com)

**PARIS**

**PET PROJECT** Not only did Givenchy's Riccardo Tisci design a tour ensemble for Antony and the Johnsons' Antony Hegarty (below), he even paid homage to the singer's beloved cat: a felt sculpture of which was stitched on Hegarty's shoulder.

**NEW YORK**

**COLOR TEST** Adam and Kara Mendelsohn are the husband-and-wife team behind the new retro unisex eyewear brand KBL. Inspired by vintage guitars, the couple's first collection features metal aviators that mix gold and silver hardware with bold metallic paints. [kbleyewear.com](http://kbleyewear.com)
